MEMORANDUM FOR: ASSISTANT DIRECTOR FOR POLICY COORDINATION

SUBJECT: Officer Participation in CIA Training Courses

25X1A9a

1. Attached is a suggested redraft of the memorandum to [REDACTED] in accordance with your instructions. In coordinating this draft with TR(C), that Office held to its previously stated position that for security reasons no outsiders should be exposed to subject matter as highly sensitive as that in the Glandestine Psychological Warfare Course (Copy attached). In view of the nature of the request, however, TR(C) referred the case to the Director of Training, CIA, for decision by higher authority.

2. The Director of Training, CIA, concurred in TR(C)'s position and, in turn, has referred the matter to DD/P for a policy decision with a recommendation against granting permission in this particular case but suggesting the establishment of a modified Psychological Warfare Course to be provided in the future for such officers as those mentioned in the subject request.

3. The Director of Training, CIA, reports orally that DD/P has not announced his decision as yet. In view of the above, it is suggested that the attached memorandum be signed by ADPC only if DD/P's decision is favorable to granting of permission in this particular case. If DD/P's decision is adverse, a new reply will be drafted for ADPC in accordance with the circumstances.
